QUEEN OF THE WORLD

Angela White keeps on winning!

AUSTRALIA'S empress of porn Angela White keeps kicking goals every time she takes her clothes off!

Not that it's news to us that she's the horniest thing on two legs – we've been saying that for years – but it's nice to see the rest of the world catching up.

Just last week the massive international website Pornhub named her their "best chest" and "best big tit performer" in their annual awards, the accolades sending our old mate Ange rushing to film a special titty thank you to her fans.

"A big shout out to all my incredible fans for watching these big titties on Pornhub, because – I won!" she cooed.

"And it's all because you love to see these bounce, and I love to bounce them for you!"

Bounce on, Ange – bounce on! ■ Picture

KIWI EX-PICTURE PIN-UP NAMED MISS NUDE WORLD!

HISTORY has been made, readers – for the first time ever a Kiwi has won Miss Nude World!

Bambi Wilde, the former Auckland stripper and Picture pin-up, was named the BEST NAKED CHICK IN THE WORLD at a glittering ceremony at the Palomino Club in Las Vegas.

"I was crazy excited about winning this!" she told us EXCLUSIVELY. "This is the third time I've made the top five in a Miss World Nude pageant, so to finally win was amazing."

"For the last three years an Aussie girl has won the title, so it's a great honour to be named the first Kiwi Miss Nude World.

"I still cannot believe it. Thank you to everyone who made this possible."

It's at times like this, readers, that we really LOVE our Kiwi cuzzies! ■ Picture

EXTRA! EXTRA! READ ALL ABOUT TIT!

PARIS!

If all Poms looked like stunna Karla here, we probably wouldn't pick on them so much. Haha! Just kidding.

KIEV!

A quick lesson – Kiev is the capital city of Ukraine, where Dakota goes cycling with her tits out. KEV, on the other hand, is the bloke next to you in the pub brasco pissing on your leg.

CANNES!

Cannes, France, is where the movie stars go to launch their new fillums on the world. Or if we're talking about Casey – to launch her tits into your face.

STOP FUCKEN PRESS! STOP FUC ESS!

VALENCIA!

Malena works in an orchard picking oranges, and at the end of every day she gets checked to make sure she isn't smuggling any of the juicy champions out under her clothes.

SOFIA!

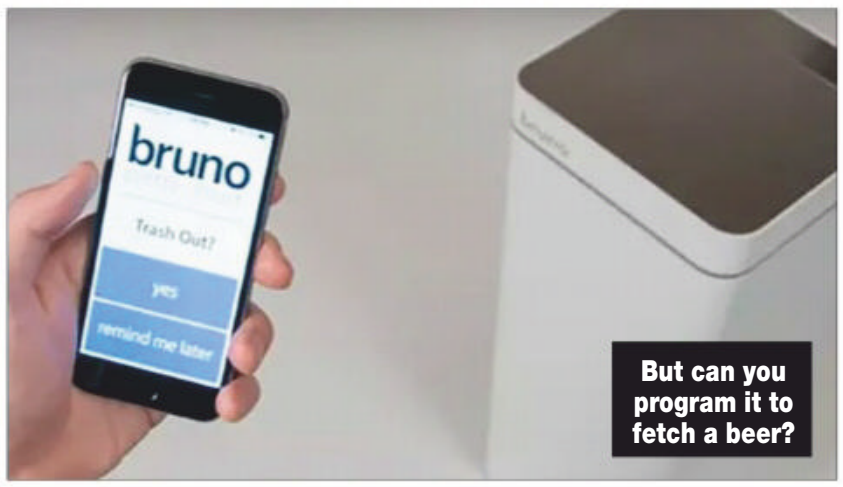
No, her name's actually Anata. Sofia is the place where she got naked. It's in Bulgaria. Somewhere, but, there may be some pics of Sofia getting naked in Anata. You never know.

STOCKHOLM!

Taking a blonde like lezzo porn star Riley Anne to Sweden is like taking coal to Newcastle. She just gets lost in a sea of horny blondeness!

NEWS FLASH

THIS SHIT REALLY HAPPENED!



But can you program it to fetch a beer?

BIN THERE, DONE THAT

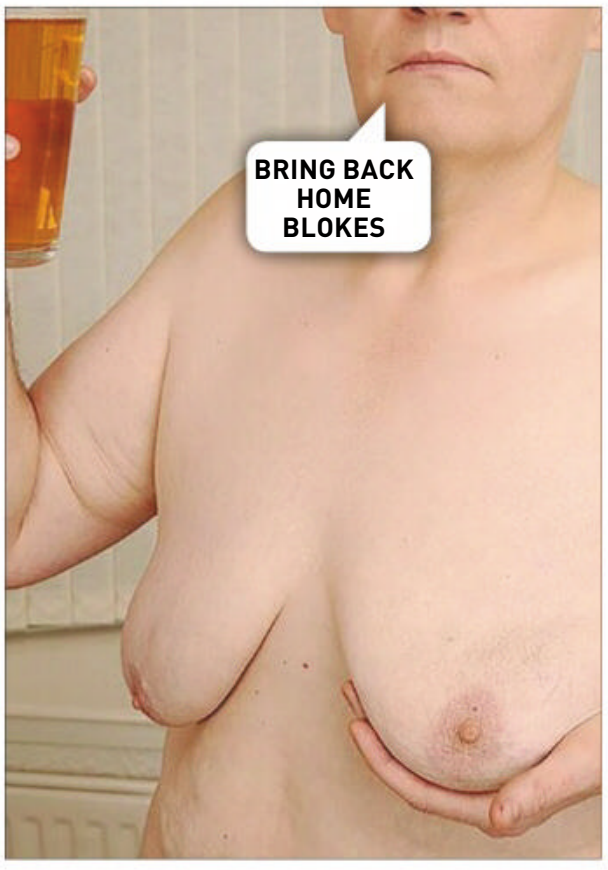
BEING ratted on by the missus for not taking the bins out will be a thing of the past with SmartCan, the bin that puts itself out. There's an app and docking station and you just dial in the time and date and it does the bizzo on its own. "We see an opportunity to really help alleviate the burden of the mundane physical tasks that everyone faces," says the inventor. The way things are going, what with high-tech vibrators, soon the only thing women will need us for is getting lids off jars.

WHAT A NIGEL!

NOT everyone named Nigel is a BORING CUNT... apparently. These 56 Nigels and their supporters, gathered at the Fleece Inn in Bretforton, Worcestershire at the big NIGELFEST organised by landlord Nigel Smith. "It was really just to get a few Nigels together in the same room, to share Nigel stories and celebrate our Nigelness ," he said. Yeeeeeeah... nah. Still sounds fucken boring.

BIG BOOB BONUS

A BLOKE in Seppolia has been awarded US$8 billion after he grew TITS as a reaction to drug he was prescribed. A judge in Philadelphia ruled that Nicholas Murray, 26, should cop the huge pay-out, with the bloke's lawyers saying that the pharmaceutical company Johnson & Johnson had not adequately warned blokes of the dangers of sprouting BOOBIES while using the medicine, usually precribed for types of autism. Of course, now Nick just stays home and plays with 'em.



FLY-DRIVE

NOT all the best smash-'em-up action from this year's Bathurst meeting was in the main event. Peter Vodanovich managed to grab a bit of limelight with this classy flip-out during the Toyota 86 series race. Vodanovich was doing about 200km/h down Conrod straight when he nudged Declan Fraser's car, and next thing you know, fucken bewdy, he's airborne! It all worked out for the best and they had a laugh about it later.

SKIN IN THE GAME

ANYONE seen a giant naked snake around Cairns? This seven metre-long python skin was discovere d in a local park and some people are really interested in how it got there. The skin, found in Ryan Weare Park in Cairns last week, belongs to a reticulated python from South East Asia and appears to be fresh. As to how it got in the park, however, no-one has a fucken clue.

BONK A BOEING

GERMAN chick Michele Köbke, has fallen in LUST with a PLANE. And not just any plane – it has to be a Boeing 737-800. Soon after her first flight on the model she was HOOKED. "The 737-800 is very attractive and sexy to me. He's the most beautifully built, and he's a very attractive and elegant aircraft." The 30-year-old flies in the aircraft whenever she can and has visited one in its hangar. Now she plans to marry one and move in with it. "I am in love with the 737-800," she says. Maybe she's just doing it for the free peanuts...

FF YA FACE!

Get a gobful and go to heaven

IT LOOKS like the pub crawl from hell, but the Phuket Vegetarian Festival is nothin' to do with that sort of boozy MALARKEY.

For a start, none of the participants drink, it being all about purity of body and that. And it's something to do with appeasing the gods, so heaven's involved there somewhere, too.

And the weirder you go, the better.

As far as we can figure, you get extra brownie points for sticking something rad like a bar-stool, or the front right bumper off a 1972 Valiant Ranger through ya cheek.

So why wouldn't ya stick half a portable chip fryer through ya face and have a wander around town? Makes perfect sense, and you might live forever.

You're only young once, after all.

The festival has been going since 1825, which makes it older than test cricket.

Perhaps that means, cosmically, that it's time David Warner ATE A BUS. ■Picture

Tessa FOWLER

Flying the flag for the rusty nuts, Seppo Tessa has been a firm favourite of discerning PICTURE readers since first unveiling her H-cup honkers to the world in 2011. Oh happy day!

Anika SHAY

Dead set, you'd be HARD-PRESSED to find a better display of nudeness from a relative newbie than this stunning Kiwi in #1377. She's got her life ahead of her and a top arse behind her.

Claudia

"I definitely think my big natural breasts are my best asset," she told THE PICTURE in issue #1369. Funny, that's what we thought, too. "I get a lot of stares." Well, they are beaut. You should be proud.

Blondie

Turned out Blondie was as big a fan of US as we were of HER. "I think I have a bigger PICTURE mag stash than the average guy," she said. The Sydney stripper fulfilled a lifelong dream when she posed for us in issue #1455.

Kylie PAGE

This farmer's daughter, girl-next-door porn star is from one of the American states where there's lots of wheat and cows, and blonde, big-titted babes are found in every hay stack.

Rosie JONES

IT's not just her perfect, REAL, F-cup tits that make Rosie a pin-up everyone wants back in the mag – shit, she's a doll! But if we had to pick just ONE THING, that'd be it.

Rebekah

In issue #1491 Bek admitted to playing HIDE THE BUZZER with a chick mate of hers after they bought a vibrator together at a sex shop during a night on the piss in Surfer's Paradise. That sentence has just about everything!

Viola BAILEY

Still the greatest Latvian. Still voted number one reason to visit Latvia. Still beloved by PICTURE readers who don't care where Latvia is as long as they keep sending us spunks like Viola.

Grace

"I like it when you pay close attention to the nipples. The more direct you are with the nipple, the better," said Perthian Grace in #1414. See, if you pay attention you really can learn stuff in THE PICTURE.

THE Dirty DOZEN!

Lucie

AFL nut Lucie was dreaming of fucking the socks off Buddy Franklin when we met her in issue #1465. "But I still haven't forgiven him for trading to Sydney, so it would be a hate fuck," she reckoned. So that's alright then.

Holly PEERS

One of the legends of Page 3-ology, Holly stood out like a pale, glowing goddess of boobage. She affects people that way. So naturally heaps of you wanted her back.

Q. HOW DO CRAZY PEOPLE GO THROUGH THE FOREST?
A. THEY TAKE THE PSYCHO PATH.

MIKE, REYNELLA EAST, SA

AN OLD man goes to his local wizard to see if he can remove a curse he's been living with for the last 40 years.

The wizard says, "Maybe, but you'll have to tell me the exact words that were used to put the curse on you."

The old man replies without hesitation, "I now pronounce you man and wife."

C.J., WENTWORTH, VIC

Q. WHAT DO YOU DO IF YOUR WIFE STARTS SMOKING?
A. SLOW DOWN AND GRAB SOME LUBE.

LEN, GOSFORTH, NSW

THERE are two priests at the Vatican urinals, and one of them notices that the other has a nicotine patch on his old fella.

He says "Mate, you know you're meant to put that on your shoulder, not on your cock."

The other priest turns to him and says, "But it's working so well! I'm down to two butts a day."

ALAN, MIDGEE, SA

MICKEY Mouse and Minnie Mouse were in divorce court and the judge said to Mickey, "You say here that your wife is crazy?"

Mickey replied, "No I didn't. I said she is fucking Goofy."

TIM, NULSEN, WA

JOKE OF THE WEEK
WINS $100

A MAN walks into the pharmacy with his 11-year-old son. They happen to walk by the condom display, and the boy asks, "What are these, Dad?"

To which the man matter-of-factly replies, "Those are called condoms, son. Men use them to have safe sex."

"Oh I see," replied the boy. "I've heard of that at school."

He looks over the display and picks up a package of 3 and asks, "Why are there 3 in this package?"

The dad replies, "Those are for high school boys, one For Friday, one for Saturday, and one for Sunday."

"Cool" says the boy. He notices a 6 pack and asks, "Then who are these for?"

"Those are for college men," the dad answers. "Two for Friday, two for Saturday and two for Sunday."

"WOW!" exclaimed the boy.

"Then who uses THESE?" he asks, picking up a 12 pack.

"Those are for married men, son," the Dad replies. "One for January, one for February, one for March..."

JELLY, SYDNEY, NSW

Q. HOW DO YOU TELL WHEN YOUR MECHANIC'S HAD SEX?
A. ONE OF HIS FINGERS IS CLEAN.

MICK, BEAUFORT, VIC

AN OLD bloke goes into Centrelink looking for the aged pension, but he's so ancient he's from a time before birth certificates. Indignant, he starts unbuttoning his shirt to show the clerk his grey hairs to prove his age. She tells him to stop, says she believes his story, and signs him up for the pension.

When he gets home, he tells his wife about it, and she says "Why don't you get back down there, take your pants off, and see if you can get disability as well!"

NIGEL, TABILK, VIC

Q. WHY IS LOBSTER LIKE A BLOWJOB?
A. YOU WON'T FIND EITHER OF THEM AT MY HOUSE.

M.I., ALBION, QLD

A BLOKE brought his mate home after work to meet his wife. His missus chucked a tantie and squealed, "You thoughtless fuckwit! My hair isn't done, I'm still in my pyjamas, the house is a pigsty, the dishes aren't done and I've got nothing decent to cook for dinner. Why the fuck did you bring your mate home?"

"Because," sighed the bloke, "the silly prick was thinking about getting married."

P.B., TAMWORTH, NSW

A GIRL I met on the internet told me that "the camera adds five kilos" when she sent me her photos. I told her to stop eating cameras.

FRANELLA, SOUTH GUILDFORD, WA

I ASKED my wife why she never tells me when she has an orgasm. She replied, "I don't like ringing you while you're at work."

SIMMO, ROCHEDALE, QLD

"My favourite animal is the turtle because you can drop it and it's still OK. Also, after it dies you can make a helmet out of some of it."

"IF YOU HAVE A PEAR-SHAPED BODY, YOU SHOULD NOT WEAR PEAR-COLOURED CLOTHES OR ACT JUICY."

"I like video games, but they're really violent. I'd like to play a video game where you help the people who were shot in all the other games. It'd be called 'Really Busy Hospital.'"

"I WONDER WHAT THE WORD FOR DOTS LOOKS LIKE IN BRAILLE."

"I was on the street. This guy waved to me, and he came up to me and said, 'I'm sorry, I thought you were someone else.' And I said, 'I am.'"

"I USED TO PLAY SPORTS. THEN I REALIZED YOU CAN BUY TROPHIES. NOW I'M GOOD AT EVERYTHING."

"Employee of the month is a good example of how somebody can be both a winner and a loser at the same time."

THE JOKE'S ON YOU

THIS WEEK: IN-LAWS

The doorbell rang this morning. When I opened the door, there was my mother-in-law on the front step.
She said, "Can I stay here for a few days?"
I said, "Sure you can."
And shut the door in her face.

Q. WHAT IS THE DIFFERENCE BETWEEN OUTLAWS AND IN-LAWS?
A. OUTLAWS ARE WANTED.

A golfer hits a ball and it misses the green by inches. His partner says, "That's what's called a son-in-law shot, mate. It's not what you expected, but you'll take it."

Q. DO YOU KNOW WHAT THE PUNISHMENT FOR HAVING TWO WIVES IS?
A. TWO MOTHERS-IN-LAW.

Two men were drinking in a pub. One says to his mate, "My mother-in law is an angel."
His friend replies, "You're lucky. Mine is still alive."

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

EURO, LET'S GO!

MUNGO, I've been thinking that the UK leaving the European Union might not be such a bad thing because that would mean more Eurospunks coming to Oz instead of going to shitty Britain for their holidays. So we'd have even more wildly sexy French, Italian, Spanish babes, you name it, coming here to pose nude for THE PICTURE and root the locals. Am I wrong?

M.B., MUDGEE, NSW

MUNGO SAYS: No, of course you're not. It's a lovely dream. I can see the day where they're flocking out here, and we'll have to turn them back at the airports, there'll be so many Euro nymphos clamouring to get in the

MUNGOLAND

AUSTRALIA being the land of big things – Big Pineapple, Big Banana, Big Prawn etc – I thought it was about time we had a Big Mungo. I can see a giant statue of you straddling the Hume Highway somewhere near Albury and as people drive underneath it they can get a glimpse of your shrivelled nads and warty cock. Maybe they can set you up with a Big Stripper to keep you company.

W.L., YASS, NSW

MUNGO SAYS: It's alright by me. I don't mind being worshipped. There might even be an earn in it. I could set up a gift shop and sell statues of me, and scones and that. Could even be a whole theme park in it. Come to Mungoland, sit around on a giant couch and do FUCK ALL. $40 entrance fee for adults, kids half price. Parking extra. No refunds.

THE PRICE IS RIGHT

MUNGO, I've been reading about Katie Price, the hot Pommy Page 3 model formerly known as Jordan, and how she's living in this run-down house full of rubbish and is going bankrupt, even though she's made about $80 million. What I wanna know is, will she do my mates buck's night for a coupla hundred, 'cos we really need a stripper and we haven't got a lot in the kitty.

JETHRO, TWEED HEADS, NSW

MUNGO SAYS: You could be on there. From what we've seen from her carrying on in bars in Ibiza, all you have to do is just chuck a bottle of vodka in her hand and she usually puts on a good show. And she could obviously use the dosh. You'll probably have to stump up for taxi fares, but, and chuck her a free feed.

HI HO, SILVER!

ATTACK OF THE CLONES

I RECKON your #1493 Top Tits Homie Silver is a clone of Aussie singing legend Kate Ceberano. Not only does she look like her in the face, but she's got Kate's great curves as well. Beyond that I dunno 'cos I've never seen Kate naked, but I reckon this is what she'd look like. What do ya reckon, Mungo?

A.L., PETERSHAM, NSW

MUNGO SAYS: I reckon you have hit the fucken nail on the fucken head. I always fancied Kate and her nice voluptuous bod, but like you, I've never seen her naked. Now all I have to do is have a peak at Silver and I reckon I'm there. Nice one!

FOREPLAY

I KNOW you blokes are aware of Gabbie Carter, the hottest young porn star going, 'cos she's been in the mag a couple of times. Dead set, you can't get her in the mag enough for me. I reckon she's the sexiest porn star ever. But what's even better is that she was a teenage golf champion and can hit a ball sweeter than Tiger Woods. So you could get out for a quick 18 holes and a free golf lesson after you get a root.

L.K., PORT MAQUARIE, NSW

MUNGO SAYS: Suits me. My technique could do with a bit of a brush up. Golf, I mean – nothing you can tell me about the rootin' game. I'm a scratch player!

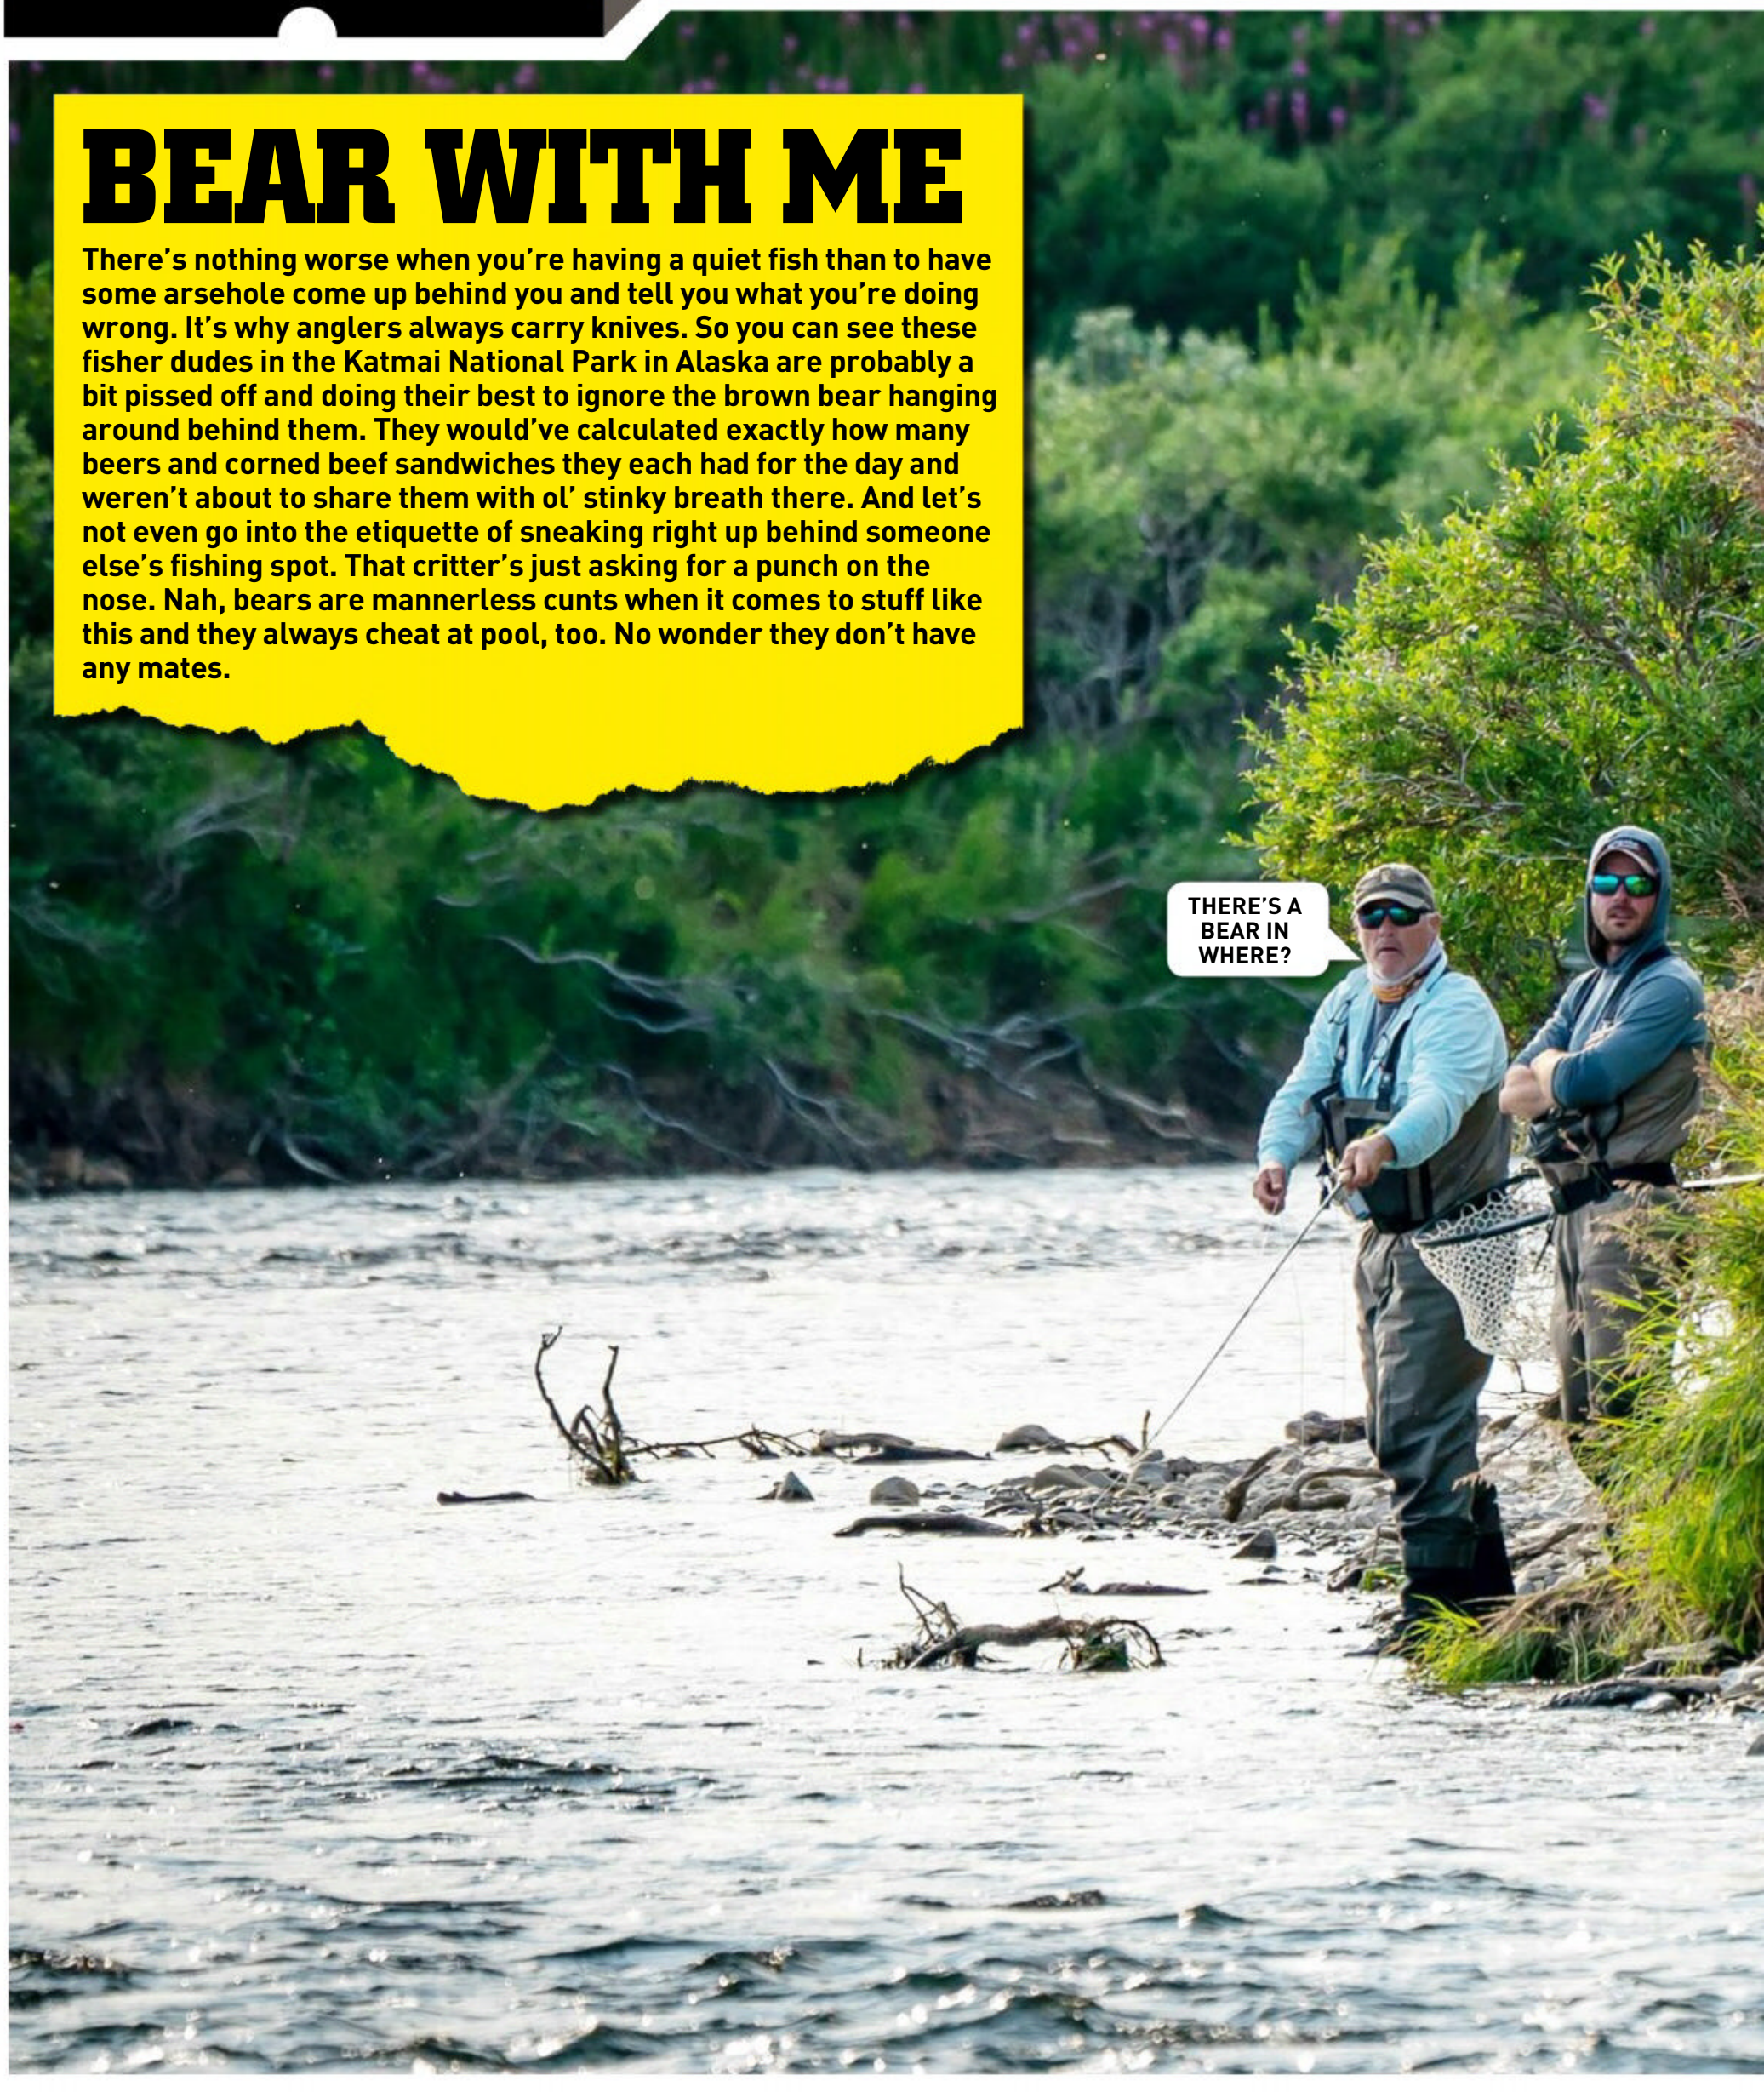
SICK PICS

YOU WON'T BELIEVE YOUR EYES

BEAR WITH ME

There's nothing worse when you're having a quiet fish than to have some arsehole come up behind you and tell you what you're doing wrong. It's why anglers always carry knives. So you can see these fisher dudes in the Katmai National Park in Alaska are probably a bit pissed off and doing their best to ignore the brown bear hanging around behind them. They would've calculated exactly how many beers and corned beef sandwiches they each had for the day and weren't about to share them with ol' stinky breath there. And let's not even go into the etiquette of sneaking right up behind someone else's fishing spot. That critter's just asking for a punch on the nose. Nah, bears are mannerless cunts when it comes to stuff like this and they always cheat at pool, too. No wonder they don't have any mates.



GO THE BEARS!

IN BED WITH KIKI

LEZ GET IT ON!

HEY babe, a girlfriend and I have just broken up with our deadshit boyfriends and decided we should give being lezbo a crack together. It's all a bit new to me. Got any tips for a first-timer lesbian experience?

CURIOUS, MELBOURNE, VIC

***KIKI SAYS:* I live by a rule: if she smells like cheese, don't go down please. It's not hard to navigate the beaver but you will have to say goodbye to your long nails, for her comfort. Maybe you should try your lesbian encounter in front of your ex-boyfriends? Just sayin'.**

GANG SIGNS

HAVE you ever done gangbang porn? If no, would you? I'd love to see you tonking heaps of guys at once. I myself have watched hours and hours of this sort of thing.

JADEN, SUBIACO, WA

***KIKI SAYS:* I love to watch gangbangs, I love to fantasise about gangbangs, but I've never done one... yet. The cheerleader and football team scene is a classic but I think I need a different scenario. Do you have any ideas?**

DREAM DICK

CAN you describe your perfect man, please? Fingers crossed he is a 47-year-old mechanic named Richard – ha ha!

RICHARD, DUBBO, NSW

***KIKI SAYS:* Ah Richard, you could be! I need a guy who is a gentleman in public, and my master behind closed doors. I need him to not limit sex just to the bedroom, and be willing to have others come and join us from time to time. I'm a pretty easy girl to please!**

COME QUICK!

IF I'M rooting a chick and I tell her to come does that actually make her come quicker? Like if I'm doing it and I say "Come on my dick now!" – will that sort of thing work? Keep up the good work.

JED, PERTH, WA

***KIKI SAYS:* It works for me when I'm wrapped up in passionate, intense sex sessions. But if I'm with a dud in bed, while I appreciate the enthusiasm, it doesn't really work for me. Moral of the story is get rid of any starfishes in the bedroom and keep doing what you're doing.**

KIKI'S SEX CONFESSION

"So flicking the bean wasn't working for me the other night – I just needed a real cock! So I started browsing through the men-seeking-women classifieds online hoping for some random sex hook-up. That's when I'm pretty sure I stumbled across my neighbour... they both had the same tattoo! I thought about responding to his ad – what do you think I should do?"

SISTER ACT

I'VE got a raging hard-on for my best mate's older sister and I reckon she'd be keen for me too. I know she's off limits, but I'm not sure if I'll regret not going for it. It might screw up our friendship if he finds out. Should I do it? His sister actually looks a little bit like you, but her head is a bit different.

K.P., SYDNEY, NSW

***KIKI SAYS:* I reckon she's fantasised about you, too! Your mate will get over it eventually, but there's also a chance he won't. Hey, better to fuck his sister than his girlfriend... or his mum!**

FOOD FOR THOUGHT

I HEARD from a bloke I work with that oysters get chicks in the mood. This is weird because they make me sick. Are there any foods that make you horny as fuck?

FRANKO, REDCLIFFE, QLD

***KIKI SAYS:* I think it's more of a myth, but if eating a dozen oysters gets her in the mood, then let's just call it a win for science! I can't think of any food that gets me wet, but I know a lot of drinks that do...**

BLUE'S CLUES

HEY Kiki, I was having a drink with my wife of 20 years and she let slip that she rooted my mate Blue about eight years ago. I was about to go round to Blue's house and punch his little weasel face in, but decided I should get some advice first. What do you reckon I should do? Blue's smaller than me, by the way.

PETE, TOWNSVILLE, QLD

***KIKI SAYS:* You got this, Pete! I'd place my bets on you to win any day. Fuck Blue, fuck your wife - that really sucks. I don't think you should bash anybody, but you should definitely never trust any of them ever again. That's awful behaviour. What the hell is wrong with people?**

KIKI WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Kiki can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to In Bed With Kiki, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to picture@bauer-media.com.au. She's waiting!

WHO:
The pilot and passenger of a light plane

WHAT:
They crashed into ski lift cables

WHERE:
Teglio, Italy

HERE's a lesson for all aspiring light aircraft pilots – DON'T, whatever you do, fly your plane into the cables holding up a ski-lift.

It may seem bloody obvious, but it appears some people just haven't got the message.

The 62-year-old pilot of this light aircraft whanged into the cables and, with his 55-year-old passenger, hung there for 90 minutes while 20 army personnel, firefighters and cave and mountain rescuers got out all the ropes and ladders and other good gear to get them down.

It would've been long enough for the paying passenger to tell the dumb shit pilot exactly what he thought of him.

It MOST LIKELY went something like this: "You-a dumb-a fuck! I wanna my-a money back!"

To which the pilot PROBABLY replied: "Fuck-a you! I oughta charge you more for extra time. I fuck your mama."

We imagine that's the way the conversation went all the way to hossie, where they were taken as a precaution.

We don't think they'll be keeping in touch, though.

COX TEASE!

Stacked stunna Stella strips

STELLA COX ROCKS!

EVER since launching herself SMOO-FIRST into the world of porn back in 2013, Stella Cox has been very vocal about her love of GETTING DRILLED for a living.

The 26-year-old and her CRACKIN' E-cups have appeared in over 290 stick flicks, been nominated for a couple of porn industry awards, and seen more pricks than a dartboard.

"I love everything about porn," blushed the Italian-born mattress actress. "The money is great, I'm not going to lie. And I genuinely have fun on set."

Are you a bit of a nymph?

"I love having sex with different partners, so I guess porn is the right job for me. But, being a professional porn actress is a job like any other."

We doubt many mechanics have as much fun as you do.

"You still have to turn up on time and work hard. Of course, you get to have sex with some of the best male talent, so I guess that is my reward."

“I’VE DONE MULTIPLE BLOWBANGS”

STELLA

#1494 PIN-UP

You're a lucky lady. What's a strange thing you've done on camera?

"I have done multiple blowbangs, where I get more than 15 guys to ejaculate on my face. I loved the attention."

How'd you get started in the JIZZ BIZ?

"I used to watch porn and I thought it would be cool to do something like that, but never really thought I would end up doing it. The first time in front of the camera was fun and strange, but I liked the attention."

FUCK IN TRAFFIC

THE missus and I were stuck in traffic when I heard her gasp. I looked over because I knew what that sound meant. She was about three rubs away from a huge orgasm, and she looked me square in the eye as she held her breath, arched her back, and then slowly relaxed.

I was instantly ready to fire away a load of my own. Trouble was, unlike my lady, I wasn't wearing a skirt I could just slip my hand under, and while it didn't look like the dudes in the cars around us were paying much attention, I reckoned if I pulled out my cock and fired off a salvo, somebody was bound to notice.

My girl smirked at me, and that's when I had an idea. I ripped that stupid fucken lamb's-wool thing off the seatbelt – the one she put there so the belt didn't rub against her neck – then quietly eased my aching, throbbing tool out of my pants and wrapped it in the lamb's-wool sheath.

It was perfect: soft and warm. And no-one could see anything.

I worked up to a tempo and was pushing hard for the happy ending when I looked over to see the missus was going at it again.

That was fucken it. I chucked her onto the back seat and fucked her hard, not caring who saw us, then when the time was right I pulled out and let fly with a huge load, put my duds back on and jumped back behind the wheel.

The missus, on the other hand, had to ride the rest of the way home with strings of cum blurt hanging off her. A win to me, I'd say.

CHRIS, BRISBANE, QLD

KING OF THE CASTLE

WHEN our son turned five, my wife and I threw a big party for him and his little mates in the backyard. We rented a jumping castle, hired a clown, and had all sorts of food and drink for the little tackers. It was grouse.

But if you've ever had to deal with a dozen rugrats who are high on cordial and cake, you'd know that it turned out to be a bloody nightmare. They screamed, fell over, punched on, pissed their pants, spewed, cried and generally behaved worse than a drunken footy team on their end-of-season trip. By dinner time the missus and I were wishing the Earth would open up and swallow us whole.

Finally, the little pricks got picked up by their parents and our son passed out in the living room, so me and wifey guzzled a bottle of wine to settle our nerves. Then, feeling adventurous, we headed out into the backyard and climbed onto the jumping castle.

As we slowly bounced up and down we stripped each other naked, then the missus crash-tackled me and started sucking my cock. She really got into it, and as her head bobbed up and down, the whole castle shook.

I plucked her head off my knob, gave her a kiss, then flipped her round and fucked her doggy style. The added bounce from the castle meant I could knob her harder than usual, and soon we were being flung all over the place while she came all over my cock. In reply, I spoofed off in her smoo.

Whoever said you grow out of jumping castles clearly has never fucked in one!

NEW PORK CITY

I WAS visiting a mate who lives in New York. He raves about the place, but the area he lives in is a fucken shithole. Anyway, we were on the rooftop of his ratty apartment block getting pissed with his flatmates, and I got dancing with this big bird, Elke.

Elke had a monstrous set of knockers. Holding her waist I couldn't help but smoosh her fat titties against my chest and I cracked a fat pretty quickly.

I danced behind her and pressed my swollen cock up against bum. Normally it's the kind of move that gets me slapped, but this girl ground her big arse up against me like we were in a hip-hop clip. When she grabbed my hands and put them on her tits, I knew I'd be balls-deep in her before the night was out.

The party ended around midnight and we stayed on the rooftop together sharing a ciggie. I asked if she wanted to smoke something fatter. When she smiled, I pulled out my throbbing cock and she dived on it like it was a dagwood dog.

Before I did my bolt I told her to get on her hands and knees so I could fuck her doggy. She pulled down her pants and put her big round arse in the air. That's when I saw a group watching us from a rooftop across the street. I plunged my prick into Elke's juicy box and hoped she wouldn't notice the pervs across the road.

I gave the strangers a thumbs up as I fucked Elke. She started making these funny yipping sounds, and lights in the building across the road switched on.

I decided I should give my audience a good finale, so instead of just blowing inside the johnny up Elke's snatch, I pulled out and shot my load all over Elke's huge cans. This went down like a treat and my audience let out a cheer and clapped us off the roof.

"Honestly, being naked anywhere is fun," says 21-year-old beach bunny Jade Ivy. "It is our natural state and also a way of avoiding tan lines." ***Do you just tan on the beach or do you like to warm up with some horizontal action, too?*** "I prefer doing it in the ocean. I like to avoid sand up my cracks where possible." ***What about other less silica-afflicted environments?*** "Anywhere in nature. And the more spontaneous, the better." ***Ever been busted in one of these spontaneous encounters?*** "Absolutely, but no-one ever does anything about it so I just keep going." ***So it feels good putting on a show?*** "What can I say: I'm a showgirl."

EVE // 27

"One summer, during holidays on an amazing little island, my friend and I thought we were alone on the beach, so we decided to take off our clothes and take a skinny dip," says this 27-year-old French traveller. "When we decided to get out of the sea, our clothes were gone – someone stole them – and we walked naked to the hotel." ***No need to tip the concierge that day. Any other unusual places you have been naked?*** "In front of a drawing class." ***Which bit did you most like showing off to the budding Renoirs?*** "My bum. And I have had sex on the beach in the middle of the day, wrapped in a sarong with a lot of people walking by. I love outdoor sex; when you can't wait, and you need it right now." ***We like a girl who gets what she wants. Should a guy shave his pubes?*** "It depends on if there's a nice surprise hidden behind. But I'm not one to conserve a virgin forest, a summer cut is preferable." ***Well it's nearly trim time, Eve!***

BREEZER // 19

RIDGEWOOD, WA

"I'm crazy fun to be around and the light of the party," says fresh-faced 19-year-old barmaid Breezer. "I once let people do shots from my body at a party." ***You also seem to be a lot of fun to be around at the beach, what with all the nudity. What do you like about ditching the swimsuit?*** "Getting that nice full-body tan." ***Did anyone catch you frolicking nude on the beach while you were being snapped?*** "No, no-one saw us." ***Sex on the beach: fun or a sandpaper-like disaster?*** "It is fun. I also like it in a car or on a hotel balcony." ***Ever been busted in any of those locations?*** "No." ***Not yet, anyway, we hope.***

LOLA // 24

DARWIN, NT

"In France I am a teacher, and here I make money with my body," says elegant Lola, 24. That is not entirely true; she also does her bit in Territorians' war against dust on the duco. "For the moment I am working in a bikini car wash." ***Do you reckon you'd earn more coin if you just ditched the pretence of a bikini and did it starkers instead?*** "I can't be washing nude in the street." ***Aww… C'mon!*** "We don't have bikini car washes in France." ***What a fucken travesty!*** "But in France, women are more likely to go topless at the beach." ***OK, you win. Have you ever used a strap-on?*** "I use sex toys sometimes, but only a little bit. And I use them more for vibration. Men can't give this vibration."

BECKYBOO // 24

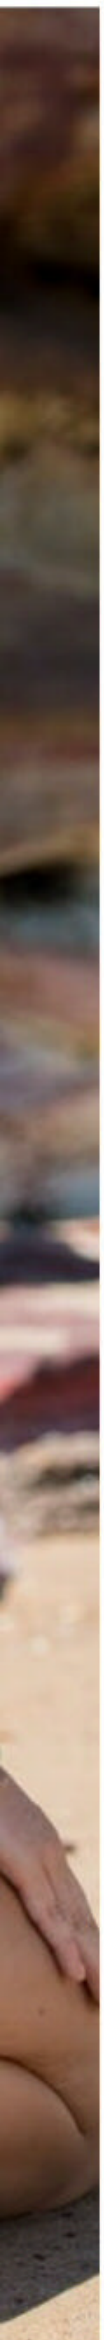
DARWIN, NT

Beer is pretty much as close to perfection as is attainable in life. And having it served by a hot blonde 24-year-old Pommy backpacker like Beckyboo in her undies makes it ever PERFECTER. "I'm working as a skimpie while I'm here. I love it." ***What is your body's best bit?*** "My arse. It gets attention. The boys love it. It definitely helps me get what I want. It's the same with naturally big boobs. And my arse is always bouncing around in the bedroom. And it is comfy to sit on. But I'd like it to be bigger. The bigger, the better." ***Does it only bounce around the bedroom with guys?*** "I can definitely appreciate talent when I see it. I look at other girls mainly, and only occasionally touch. I've been with a girl. A girl definitely knows what a girl wants." ***What girl-girl position most gets you off?*** "Going down on each other." ***What's ya fave kind of porn?*** "Lesbian porn."

ANNA // 20

PERTH, WA

Twenty-year-old Anna and her 10F boobs have a hobby we all approve of. "I spend most my spare time lounging naked by the pool or beach in the sun." ***Are there good nude beaches out your way?*** "There are amazing nude beaches. I love the serenity and I love to be nude. It can be a quiet place." ***Are there other nice bodies on the beach for you to ogle at or lots of old wrinkly types?*** "There has been a few spunks, but other than that, it's quiet." ***Do your boobs float up when you swim nude?*** "They float in the spa." ***Have you had much SEX on the beach?*** "Unfortunately not yet." ***Whose pool is lucky enough to have you lounging nude beside it?*** "I'm the girl next door." ***Does anyone join you?*** "Not often enough." ***How should a shy bloke get over it and approach women?*** "If you're a shy guy who has a lot to offer, just step up and give it a go. The more you do it, the more confidence you're going to gain. Besides, shy guys are hot."



$200 BEAUT BUM!

DOT // 29

"I am not missing too much of my old home," says German-cum-Aussie Dot, 29. "Well, friends and family, but that is it. I'm living here now." ***And we're happy to roll out the welcome mat. Does your new Australian way of life include getting naked outdoors a lot?*** "Yeah, at the nude beach. I go a couple times a week." ***What is the appeal of having nothing between your skin and the sun?*** "Not getting tan lines." ***Have you gone as far as actually having a root on the beach?*** "Actually, no." ***Sounds like we have a theme for your next photo shoot. Where is the most uncomfortable place you've had sex?*** "A swag is the worst because there is no room inside there."

DANI // 23

WEST BEACH, SA

"I have recently become really involved in fitness," says 23-year-old hospitality worker Dani. "I go to the gym, I have a personal-training session every week and I walk five kilometres a day on the beach." ***Are rigorous sexual encounters a good way to burn kilojoules?*** "The best way. A good session in bed beats the gym any day." ***What sex position is the best for toning legs and buttocks?*** "I would say, if the girls on top and she's squatting on that dick. Hits some good spots too." ***Do you think about sex much while in the gym surrounded by sweaty bodies?*** "Oh, when you see all the guys and how much they can lift, makes you wonder what they could do in the bedroom." ***Apparently 'roids shrink the cock, so your imagination might be telling you some fibs.***

"I actually wanted to be one of the girls giving advice each month in these types of magazines and websites." ***We'd follow whatever instructions you gave us.*** "I tell it how it is, not what people want to hear. I'm not the typical girl. I love football and cars and I love anything that gets the adrenaline pumping." ***These pics have inspired a few pumps, too.*** "I eat burgers, not salad and I'm the one pulling pranks and laughing all the time and enjoying life while I can." ***Your photos have us wishing we spent more time in sand dunes than down the pub.*** "I use to go to the nude beach every weekend in Sydney. I loved it. I wish there was more here." ***Had a root in a plane, train or automobile?*** "No planes or trains, unfortunately. But I have done it in the car and on the bonnet in the rain on the side of a highway. It is the best adrenaline rush."

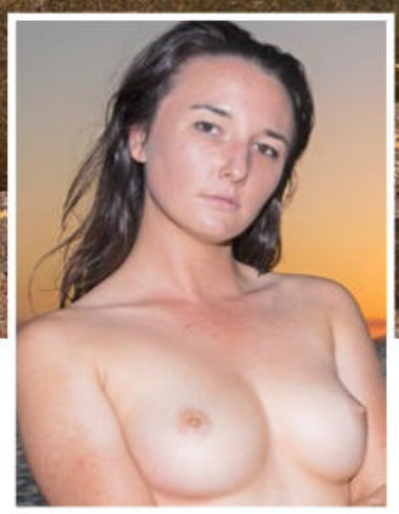
RHIANNON // 22

NEWCASTLE, NSW

Sex and getting naked outside gets this 22-year-old jelly-wrestling fan excited. "Swimming naked always feels better. I got caught at the beach once having sex on the picnic table – fun times. I love having sex and giving head-jobs outdoors." ***What happened when you got caught?*** "Nothing. We didn't stop." ***Commitment. What other recreational pursuits would be better done naked?*** "Surfing would be refreshing. I also ride horses and love breaking them in." ***So do you go horse-riding starkers like the historically beaut Lady Godiva?*** "My boobs would die." ***The bottom half might have fun rubbing up against the saddle, though.*** "True, but I don't need to be naked for that." ***What else vibrates and hits the spot like that?*** "Dirt bikes and Harleys; oh yeah, vibration. And my bullet, but I only like the real deal inside me." ***We're sure you get plenty of offers to supply the real deal.***



LAUREN // 22

CANNONVALE, QLD

"Being nude at the beach is my favourite thing to do," says skydiving assistant Lauren, 22. ***You being nude at the beach is one of our favourites, too.*** "I love the sun on my skin and I feel free." ***How often do you swim starkers?*** "Whenever I am at the beach. It is hard to put clothes on after, though." ***Is it hard to find somewhere to do it without upsetting wowsers?*** "No, there are plenty of secluded beaches around here." ***Ever skydived naked?*** "No, but I plan on it." ***That's a career plan we endorse. Have you seen others do it?*** "Yeah, when you reach 100 jumps it's called 'Undie Hundie'. I saw one of my good friends do it not long ago." ***What is the biggest thing you have had in your vi-jay-jay?*** "I have never told anyone this, but it would be long green and edible."

LUCY // 22

CARNARVON, WA

Not only is hitting the beach a lot safer than beekeeping as a hobby, you also get away with wearing a fuck of a lot less. Or in 22-year-old data entry chick Lucy's case – fuck all. "Nothing beats laying out in the sun getting some colour." ***These here pictures would indicate you have little time for swimwear.*** "Tanning with no bikini is the best type of tanning. And swimming naked feels amazing. It feels very natural and naughty. And free. I have lived a pretty sheltered life, but once on an overseas holiday, I had sex in the ocean. It was the best sex ever." ***You look comfortable nude on camera.*** "I love the feeling I get before and after a shoot. It's a real adrenaline rush and confidence booster. Photographers know how to make me feel sexy." ***With a beach bod like yours, we get the feeling making you feel sexy wouldn't be too tough of a task.***

EMERALD // 25

HAURAKI PLAINS, NZ

Emerald is a 25-year-old hairdresser who has never given anyone a trim while naked. Which is a damn shame. ***Surely this needs to be urgently remedied.*** "No. I probably wouldn't cut anyone's hair while nude. There are places that do it topless, but I don't think it would be comfy getting hair on you." ***Do you at least get your beaut perky tits out when you head to the beach?*** "Yes. Topless sunbathing is not overly big in New Zealand, especially where I live. But you can't have bikini marks." ***That's the spirit. Do you ditch the bastard bikini bottoms, too?*** "That is not something I have ever done. But I would do it at the right location." ***Late night skinny-dipping?*** "Yes, I've done that. We have had a few nude swims at night while camping. After we light the fire and have a few drinks, it seems logical." ***Beer – it is definitely good for thinking.***

TERESA // 29

BUNBURY, WA

Spanish-born travel agent Teresa, 29, reckons she is in Home Girls 'cos she has "a great body and I like to share", which is very public spirited. But she is not impressed if you whip this body off to a beach resort for 10 days of breakfast buffets, lying by the pool, reading Les Norton novels and coming up with excuses not to see the cultural fire show. "I'm a big city, big smoke girl. I'm into the parties, the shopping and the people. My job is great as I love to explore." ***What city should people see before they shuffle off?*** "Paris. It is just beautiful." ***So is holiday sex more likely to happen in cities or by the beach?*** "I'm a city princess. No sand in this crack." ***Bummer. Are there any outdoor sex locations you do like?*** "Snuggles and spooning on a lounge on the decking under the stars." ***Sounds romantic. What nationality is the sexiest you've met on your travels?*** "Definitely the Swedes. I like blondes."

FLASHBACK

DECEMBER 2012

PRIYANI // 29

AUCKLAND, NZ

To some of us, Bollywood movies seem an odd bunch of tuneless songs, bad acting and dodgy 'tashes. But stunning Priyani, 29, reckons they're ace. "They're fun, colourful, humorous, and feel-good. The stories are simple and about everyday families and forbidden love." ***Sounds beaut. Is there a porn version? And if so, would you shoot a scene?*** "Probably, but it would be not aired to the world. No, I would not participate, as it would not actually reach a greater audience." ***The song at the end would be a hoot, though. You obviously don't mind getting naked.*** "Posing nude made me feel strong confident and free; losing the pressure of wearing clothes and sitting in front of a camera as an untamed art piece to be captured. You lose all stress, inhibition, sense of insecurity and weakness. I could not hide or conceal anything." ***All our Homies say that.***

"Posing nude made me feel free"

"I'll get around to christening my car"

KELLY // 20

BRISBANE, QLD

Twenty-year-old Kelly is a traditionalist at heart. ***What's your favourite position?*** "Probably just missionary – nothing too exciting." ***The thought of you on the job in any position is pretty exciting, believe us. What do you like about missionary?*** "It's easy and doesn't require much effort." ***So you reckon a bloke should do all the work?*** "Pretty much." ***Just blokes?*** "Girls, as well. I probably prefer girls over guys. They're more caring and sensitive to what you want." ***But no good in a reverse-parking situation. What position do you prefer with a fellow vagina owner?*** "That's tough. Everything." ***You've got all the bases covered there.***

INGRID // 21

MANLY, NSW

When this 21-year-old stunna gets her gear off, people come from LIGHT YEARS away to have a look. “There were heaps of guys walking past taking pics of me on their phones while I was doing this shoot,” she laughed. “And then a few guys on jet skis came over and introduced themselves.” ***Probably the WATER POLICE. Is this the first time you’ve been nude on a beach?*** “No, I’m usually topless, though. I love getting a bit of sun.” ***And your other pastimes include…*** “I love going out with my mates and drinking. I also love driving my new car.” ***What are your thoughts on one-night stands?*** “They are fun. I’ve been single for a little while and it’s a great way to end a night. I would like a regular fuck buddy at the moment, though.” ***Can you hear that? It’s the sound of a TONNE of mail arriving at the office.***
